

kugel? tzimmes? challah? roast? apples and honey?

NONE OF THE ABOVE.

The face of need in Baltimore's Jewish community can be surprising. It can look like your friend, your business associate, your brother or sister. And while we celebrate the beginning of what we pray will be a year of health, personal growth and prosperity, *we must remember that there are those in our greater family who need our help.*

Due to unemployment, sickness or other adversities, some of our neighbors are suffering and impoverished. The needs of our community continue to increase daily. And many suffer quietly, so no one is even aware of their great distress.

For over 28 years, Ahavas Yisrael Charity Fund, located right here in Baltimore, has very discreetly helped poor and needy persons and families. Due to our very low profile to

ensure the dignity of our clients, Channel 45, The Owings Mills Times and the Baltimore Jewish Times have referred to us simply as the "stealth charity".

Ahavas Yisrael is run solely by hard working and extremely dedicated volunteers. We pay no salaries. In fact, due to our very low overhead (food warehousing-postage-computers-printing-bank fees-audit expense) **98¢ of every dollar you give goes to the needy and poor.**

In both 2003 and 2004, Ahavas Yisrael distributed almost one million dollars in food and basic needs to poor and needy right here in your community.

Before you enjoy your Rosh Hashanah meals with family and friends, please think about those who can't afford to, and give generously to Ahavas Yisrael Charity Fund.

With your help and support, we will continue to help the less fortunate of our community.
